

Our yearbook has a nautical theme this year, it is a log of the Senior Cruise. Our cover design is the good ship Algonquin which has carried us on our voyage of '52. We invite "All Aboard" from the mighty Seniors through the tiny kindergarten folks. The school board, administration and various organizations directed us "On Course." With their co-operation and that of the classes and other activities, we achieved our "Happy Landing" as well as our '51 Baseball and Track champions, our Football championship and runner up in the State Basketball finals of '52.

IN MEMORY

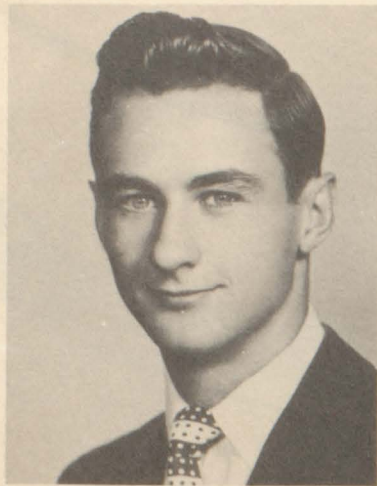

Jim Martin---our friend and classmate

Student Council is to have a new honor known as the James Martin Memorial Award in the form of a plaque on which will be inscribed the names of the Student Council presidents. This plaque and the pins given to the president will contain the Algonac High School crest which Jimmy worked for so diligently. This is planned to remind us all of the fine work Jimmy did as a member of the Council and as a representative for four years and for this fifth year to which he was elected but did not live to serve.

The Student Council, composed of sixteen representatives from grades eight through twelve, has as its chief aim that of helping the various homerooms to make their senior trip become realities. To achieve this goal the council stocks refreshments to be sold by the classes at their concessions which are assigned to them by the Student Council.

In addition to this work, the council sponsors All-Hi Dances, assigns pep meetings, locker clean-outs and has charge of all Homecoming plans.

The Algonac Chapter of the National Honor Society was organized in 1940 with 13 members. The present membership, active and alumni, numbers 125. Each year an impressive induction ceremony is given as an assembly program, usually in November. At this time new members are tapped. To be chosen one must have a point average of 1.7 (B-) in scholarship, and rate high in character, leadership and service. High school teachers and active members do the grading.

The spring banquet is a high spot in the year's activities. Many of the alumni return for this festive occasion.

The principal activity through the years has been raising money for a scholarship fund. So far five people have been aided toward higher education by gifts of \$100 each.

The Algonquin is a weekly publication of the current school and outside activities in which the students and alumni participate.

The very first issue was published in 1927 and in the following years the paper appeared now and then. The first year that the paper was put out regularly, every week, was in 1943.

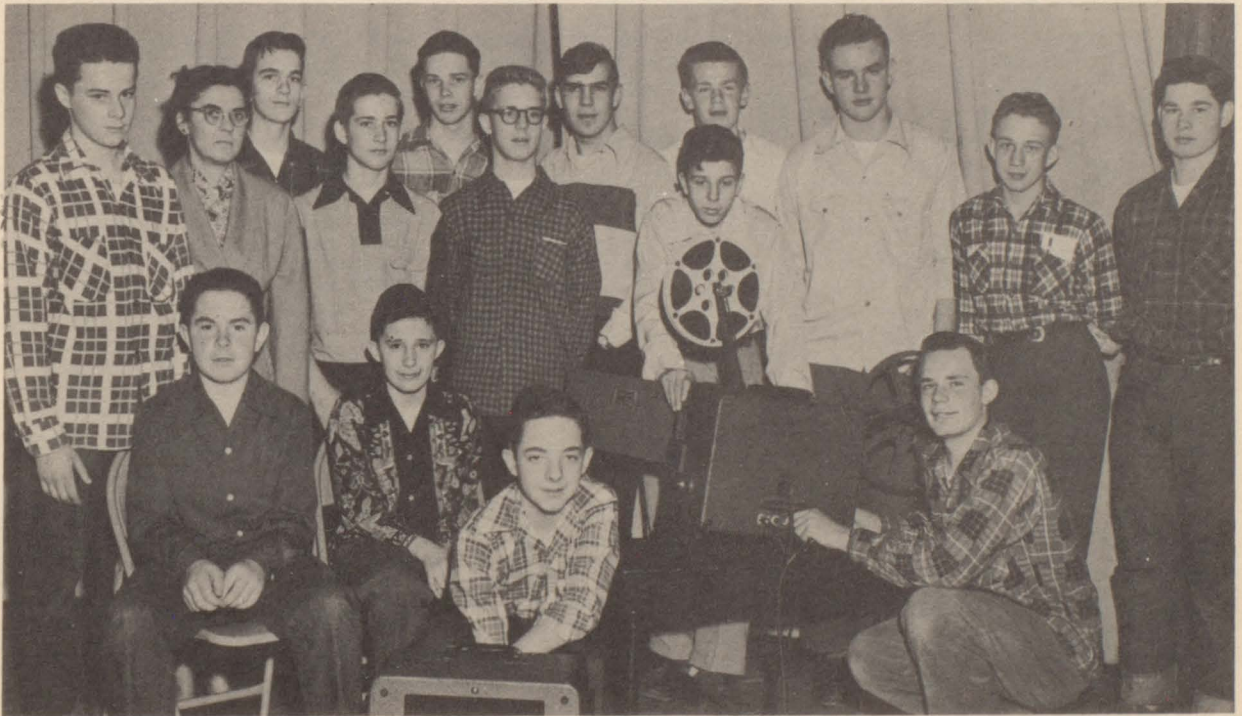

The sale of the football programs and small margin made on our weekly sales is being accumulated to help toward the purchase of our new electric mimeograph.

The Varsity basketball team set a new high in the already fabulous athletic annals of Algonac High School by fighting its way into the State Basketball finals before bowing to a strong St. Louis team in front of 10,000 fans at Jenison Field House, East Lansing.

Overlooked by even the home town early in the season, the Muskrats powered over league competition for a 12-1 record, losing only at St. Clair. In exhibition games they defeated Port Huron reserves and lost to a good Yale team.

It wasn't until tournament time, however, that the team really hit its stride, which did not falter until the finals in East Lansing.

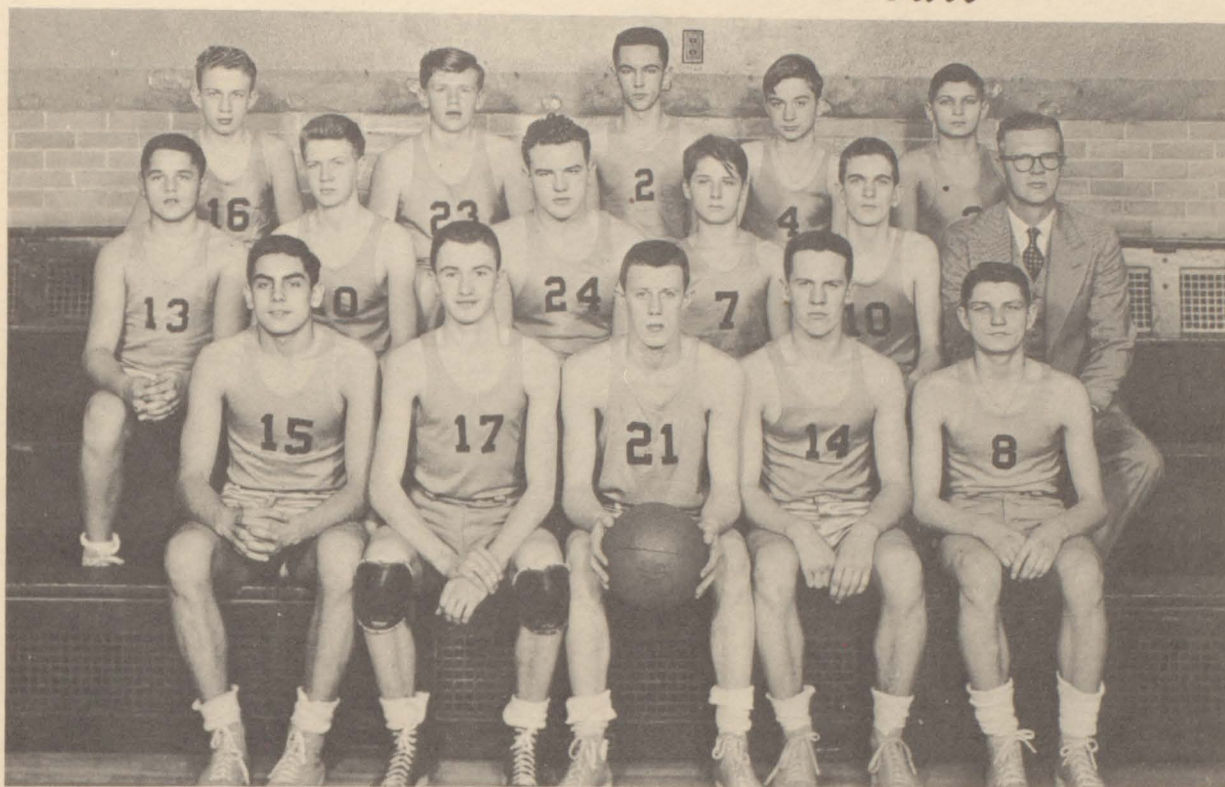

The school, the coach, the town, yes, the whole Blue Water District was proud of its basketball team in 1951-52.

In 1951 the baseball team shared the county championship with St. Stephens. This is the third time since 1946, when baseball was reestablished, that Algonac has had a championship squad. The highlight of the season was the defeat of Port Huron 8 to 5 with Bob Ames pitching. There were many Seniors in this group thus making it necessary to field practically a whole aggregation for 1952. Algonac will be in there fighting to make a good showing and a determined bid for the crown.
